

Lights of the Delta to recognize legacies

The Lights of the Delta will shine even brighter in 2008 with the introduction of a "Legacies in Lights" section.

According to LOTD Board President Jena Weld, the "Legacies" area will be a special section of lighted angels and stars reserved in honor of, or in memory of individuals. She explained that several board members arrived at the idea after being approached by individuals who wanted to honor or remember a loved one with a lighted display at the lights.

"It occurred to us that raising the money needed to sponsor one of the larger displays was going to be a task

for some in the community who wanted dearly to recognize a family or friend in a very positive way," said Weld. "The board wanted so much to be able to offer an alternative. We decided that "Legacies in Lights" would open this option up to so many more people while being a very moving display for visitors."

Beginning this month, community members will be able to reserve an angel in memory of a loved one who has passed away or a star in honor of someone. These angels and stars will be intermingled, and will surround a large, lighted angel centerpiece. Names of each honoree

will be placed on a large sign at the site.

Sponsorships of the angels and stars are \$100 and are limited. Interested persons are encouraged to get their display reservation in soon. If you would like to order a "Legacies in Lights" display, please visit the LOTD Web site at www.lightsofdelta.com and print off a form which will include a mailing address. The forms are also available at Hubbard and Hoke Furniture on Main Street. Checks can be made out to Lights of the Delta.
